MANAGEMENT INFORMATION CIRCULAR

ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS As of May 21, 2024

GENERAL PROXY INFORMATION

The information contained in this management information circular (the "**Circular**") is given as at May 21, 2024, unless otherwise noted, and all references to dollars, "\$" or "C\$" are to Canadian dollars.

This Circular is furnished in connection with the solicitation of proxies by and on behalf of the management of Western Gold Exploration Ltd. ("**WGLD**" or the "**Corporation**") to be used at the Annual and Special meeting of the shareholders of the Corporation (the "**Meeting**") to be held at TD Canada Trust Tower, 30th Floor, 421 7th Avenue S.W., Calgary, Alberta, Canada T2P 4K9 at 9:00 a.m. (Mountain time), on Thursday, June 27, 2024 and, at any adjournments or postponements thereof for the purposes set forth in the accompanying notice of annual meeting of shareholder (the "**Notice of Meeting**").

It is expected that the solicitation of proxies will be primarily by mail, but proxies may also be solicited personally or by telephone by employees or agents of the Corporation. The cost of soliciting proxies on behalf of management will be borne by the Corporation. The Corporation will also pay the fees and costs of intermediaries for their services in transmitting proxy-related material in accordance with National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer*. This cost is expected to be nominal.

Time, Date and Location of Meeting

The Meeting will be held on Thursday, June 27, 2024 at 9:00 a.m. (Mountain time) at TD Canada Trust Tower, 30th Floor, 421 7th Avenue S.W., Calgary, Alberta, Canada T2P 4K9. In the event the Corporation decides to change the date, time and/or location of the Meeting, the Corporation will issue a press release announcing the change and take all reasonable steps necessary to inform all the parties involved in the proxy infrastructure, including intermediaries and the Corporation's transfer agent, of the change.

ALL WGLD SHAREHOLDERS ARE STONGLY ENCOURAGED TO VOTE PRIOR TO THE MEETING BY ANY OF THE MEANS DESCRIBED BELOW.

Record Date

The Board of Directors of WGLD (the "**WGLD Board**") has fixed the record date for the Meeting at the close of business on May 20, 2024 (the "**Record Date**"). WGLD prepared, as at that date, a list of shareholders of WGLD (the "**WGLD Shareholders**") entitled to receive notice of the Meeting and showing the number of common shares of WGLD (the "**WGLD Common Shares**") held by each such WGLD Shareholder. Each WGLD Shareholder named in such list will be entitled to vote the WGLD Common Shares shown opposite such WGLD Shareholder's name on such list at the Meeting. To the extent that a registered WGLD Shareholder has transferred the ownership of any WGLD Common Shares subsequent to the Record Date for the Meeting, the transferee of such WGLD Common Shares shall not be entitled to vote such WGLD Common Shares unless the transferee produces properly endorsed share certificates, or otherwise

establishes that they own the WGLD Common Shares and requests, not later than 10 days before the Meeting, that their name be included on the WGLD Shareholder list before the Meeting, in which case the transferee shall be entitled to vote their WGLD Common Shares at the Meeting.

A quorum for the transaction of business at the Meeting will be present if, at such Meeting, holders of not less than five percent (5%) of the WGLD Common Shares entitled to vote at such Meeting are present in person or represented by proxy, and at least two (2) persons entitled to vote at the Meeting are actually present at the Meeting.

Any matter that is submitted to a vote of WGLD Shareholders by ordinary resolution at the Meeting must be approved, unless otherwise indicated in this Circular, by simple majority (affirmative vote of at least 50% plus one) of the votes cast thereon.

Appointment of Proxyholders

The persons named in the enclosed form of proxy are directors and officers of WGLD.

A REGISTERED WGLD SHAREHOLDER OR AN INTERMEDIARY HOLDING WGLD COMMON SHARES ON BEHALF OF AN UNREGISTERED WGLD SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON, WHO NEED NOT BE THE WGLD SHAREHOLDER, TO ATTEND AND ACT ON THEIR BEHALF AT THE MEETING, IN THE PLACE OF THE PERSONS DESIGNATED IN THE FORM OF PROXY FURNISHED BY WGLD. TO EXERCISE THIS RIGHT, THE WGLD SHAREHOLDER OR INTERMEDIARY SHOULD STRIKE OUT THE NAMES OF THE PERSONS NAMED IN THE FORM OF PROXY AND INSERT THE NAME OF THEIR NOMINEE IN THE BLANK SPACE PROVIDED, OR SUBMIT ANOTHER APPROPRIATE PROXY.

The form of proxy must be dated and signed by the registered WGLD Shareholder, or by his or her attorney authorized in writing or by the intermediary. In the case of a WGLD Shareholder that is a corporation, the form of proxy must be executed under its corporate seal or signed by a duly authorized officer or attorney for the corporation with proof of authority accompanying the form of proxy.

In order to be effective, the form of proxy, together with the power of attorney or other authority, if any, under which it was signed or a notarially certified copy thereof, must be: (i) mailed so as to be deposited at the office of WGLD's transfer agent, Alliance Trust Company, 1010, 407 - 2nd Street S.W., Calgary, Alberta, T2P 2Y3; or (ii) completed online at <https://www.alliancetrust.ca/online-login>, not later than 48 hours preceding the time of the Meeting or deposited with the Chairman of the Meeting on the day of the Meeting via email at inquiries@alliancetrust.ca prior to the commencement of the Meeting. No instrument appointing a proxy shall be valid after the expiration of 12 months from the date of its execution. If a form of proxy is not dated, it will be deemed to bear the date on which it was mailed to WGLD Shareholders by management of WGLD.

Revocation of Proxies

A WGLD Shareholder or intermediary who has submitted a form of proxy may revoke it by instrument in writing executed by the WGLD Shareholder or intermediary or his or her attorney authorized in writing, or, if the WGLD Shareholder is a corporation, under its corporate seal and executed by a duly authorized director, officer or attorney thereof and deposited either with WGLD at its offices as aforesaid at any time prior to the close of business on the second last business day preceding the day of the Meeting, or deposited with the Chairman of the Meeting prior to the commencement of the Meeting on the day of the Meeting at inquiries@alliancetrust.ca, and upon such deposit the previous form of proxy is revoked.

Exercise of Proxy

The voting rights attached to the WGLD Common Shares represented by proxies will be voted or withheld from voting in accordance with the instructions indicated therein. If the securityholder specifies a choice the securities will be voted accordingly. If no instructions are given, the voting rights attached to said WGLD Common Shares will be exercised by those persons designated in the form of proxy and will be voted **IN FAVOUR** of all the matters described therein.

The enclosed form of proxy confers discretionary voting authority upon the persons named therein with respect to amendments to matters identified in the Notice of Meeting, and with respect to such matters as may properly come before the Meeting. As of the date hereof, management of WGLD knows of no such amendments or other matters to come before the Meeting.

Advice to Beneficial Holders of Securities

The information set forth in this section is of significant importance to many WGLD Shareholders, as a substantial number of the WGLD Shareholders do not hold WGLD Common Shares in their own name. WGLD Shareholders who do not hold their WGLD Common Shares in their own name (referred to in this Circular as “**Beneficial Shareholders**”) should note that only proxies deposited by WGLD Shareholders whose names appear on the records of WGLD as the registered holders of WGLD Common Shares can be recognized and acted upon at the Meeting. If WGLD Common Shares are listed in an account statement provided to a WGLD Shareholder by a broker, then in almost all cases those WGLD Common Shares will not be registered in the WGLD Shareholder’s name on the records of WGLD. Such WGLD Common Shares will more likely be registered under the name of the WGLD Shareholder’s broker or an agent of that broker. In Canada, the vast majority of such WGLD Common Shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc. which acts as nominee for many Canadian brokerage firms). WGLD Common Shares held by brokers, or their nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, brokers and nominees are prohibited from voting WGLD Common Shares for their clients. The directors and officers of WGLD do not know for whose benefit the WGLD Common Shares registered in the name of CDS & Co. are held. Therefore, Beneficial Shareholders cannot be recognized at the Meeting for the purposes of voting the WGLD Common Shares in person or by way of proxy, except as set forth below.

Applicable regulatory policy requires intermediaries and brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders’ meetings. Every intermediary and broker has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their WGLD Common Shares are voted at the Meeting. Often, the form of proxy supplied to a Beneficial Shareholder by its broker is identical to the Form of Proxy provided to registered WGLD Shareholders. However, its purpose is limited to instructing the registered WGLD Shareholder how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. Broadridge Financial Solutions, Inc. typically prepares its own proxy forms, mails those forms to the Beneficial Shareholders and asks Beneficial Shareholders to return the proxy forms to Broadridge Financial Solutions, Inc. Broadridge Financial Solutions, Inc. then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of WGLD Common Shares to be represented at the Meeting. A Beneficial Shareholder receiving a proxy from Broadridge Financial Solutions, Inc. cannot use that proxy

to vote WGLD Common Shares directly at the Meeting - the proxy must be returned to Broadridge Financial Solutions, Inc. well in advance of the Meeting in order to have the WGLD Common Shares voted.

IF YOU ARE A BENEFICIAL SHAREHOLDER AND WISH TO VOTE AT THE TIME OF THE MEETING, PLEASE CONTACT YOUR BROKER OR AGENT WELL IN ADVANCE OF THE MEETING TO DETERMINE HOW YOU CAN DO SO.

Interest of Certain Persons or Companies in Matters to Be Acted Upon

Except as described elsewhere in this Circular, management of WGLD is not aware of any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, of (a) any director or executive officer of WGLD, (b) any proposed nominee for election as a director of WGLD, and (c) any associates or affiliates of any of the persons or companies listed in (a) and (b), in any matter to be acted on at the Meeting.

Voting Securities and Principal Holders

As at the date hereof, WGLD had 50,083,017 WGLD Common Shares outstanding, representing WGLD's only securities with respect to which a voting right may be exercised at the Meeting. Each WGLD Share carries the right to one vote at the Meeting. A quorum for the transaction of business at the Meeting will be present if, at such Meeting, holders of not less than five percent (5%) of the WGLD Common Shares entitled to vote at such Meeting are present in person or represented by proxy, and at least two (2) persons entitled to vote at the Meeting are actually present at the Meeting.

The Record Date to determine the WGLD Shareholders eligibility to receive the notice of the Meeting and vote at the Meeting was fixed at May 20, 2024.

To the knowledge of the directors and senior officers of WGLD as at the date hereof, based on information provided on the System for Disclosure by Insiders (SEDI) and on information filed by third parties on SEDAR+, no person or corporation beneficially owned, directly or indirectly, or exercised control or discretion over, voting securities of WGLD carrying more than 10% of the voting rights attached to any class of voting securities of WGLD, other than the following:

Name	Number of Common Shares	Percentage of Common Shares
Zila Corporation ⁽¹⁾	6,546,008	13.07%

Note:

- (1) Mr. Dobson, the Executive Chairman of the Corporation, is a member of a class of beneficiaries in Zila Corporation but has no right to receive any benefit or to control the actions of Zila Corporation. Zila Corporation is controlled indirectly by Val Huxley of Monaco.

PARTICULARS OF MATTERS TO BE ACTED UPON AT THE MEETING

To the knowledge of the WGLD Board, the only matters to be placed before the Meeting are those set forth in the accompanying Notice of Meeting.

Financial Statements and Auditors' Report

Pursuant to the *Business Corporations Act* (Alberta) ("**ABCA**"), the directors of WGLD will place before the WGLD Shareholders at the Meeting the Consolidated Financial Statements for the Year Ended December 31, 2023, of WGLD and the auditors' reports thereon (the "**Financial Statements**"), but no vote by the WGLD Shareholders with respect thereto is required or proposed to be taken. The WGLD Board, upon recommendation of the audit committee of the Corporation, approved the Financial Statements prior to their deliver to the WGLD Shareholders. The Financial Statements are filed under the Corporation's profile at www.sedarplus.ca and on its website at <https://www.westerngoldexploration.com/reports/>.

Fixing Number of Directors

The Articles of the Corporation state that the WGLD Board shall consist of a minimum of three (3) and a maximum of twelve (12) directors. The WGLD Shareholders will be asked to consider and, if thought fit, to pass the following resolution:

"BE IT RESOLVED, as an ordinary resolution of the holders of common shares of Western Gold Exploration Ltd. (the "Corporation"), that, subject to the Articles of the Corporation relating to subsequent appointments by the Board of Directors of the Corporation, the number of directors of the Corporation to be elected be and is hereby fixed at four (4)."

In order for the foregoing resolution to be passed, it must be approved by a simple majority of the votes cast by WGLD Shareholders who vote at the Meeting, either in person or by proxy.

UNLESS OTHERWISE DIRECTED, IT IS THE INTENTION OF THE PERSONS DESIGNATED AS PROXYHOLDERS IN THE ENCLOSED INSTRUMENT OF PROXY TO VOTE IN FAVOUR OF THE FOREGOING RESOLUTION.

Election of Directors

It is proposed that the four individuals listed below be nominated for election as directors of the Corporation to hold office until the next annual meeting of WGLD Shareholders or until their successor are elected or appointed, unless the director resigns, or the office becomes vacant through death or any other reason in accordance with the By-Laws of the Corporation. All four of the proposed nominees are currently directors of the Corporation whose term of office expires at the Meeting unless re-elected. Management of the Corporation has been informed that, if re-elected, each of such nominees would be willing to serve as a director.

In the absence of a specification to the contrary in the form of proxy, the persons whose names are printed in the form of proxy intend to vote FOR the election as directors of the four proposed nominees of management whose names are set forth in the table below. Management of the Corporation does not contemplate that any of the nominees will be unable to serve as a director, but, if such should be the case at the time of the Meeting, the persons whose names are printed in the form of proxy, in the absence of a specification to the contrary in the form of proxy, intend to vote for such other nominees as in their best judgment they deem advisable. Each director will hold office until the next annual meeting of WGLD Shareholders or until a successor is elected or appointed.

The following table states the names of all nominees to the WGLD Board, all positions and offices in WGLD presently held by such nominees, the nominees' municipality and country of residence, principal occupation at the present time and during the preceding five years, the period during which the respective nominees have served as directors, and the number and percentage of WGLD Common Shares beneficially owned by the nominees, directly or indirectly, or over which control or direction is exercised.

STATEMENT OF EXECUTIVE COMPENSATION AND RELATED MATTERS

In accordance with the requirements of National Instrument 51-102 - *Continuous Disclosure Obligations*, the Canadian Securities Administrators have issued guidelines on executive compensation disclosure for venture issuers as set out in Form 51-102F6V. The objective of the disclosure is to communicate the compensation the Corporation paid, made payable, awarded, granted, gave or otherwise provided to each named executive officer and director for the financial year, and the decision-making process relating to compensation. The disclosure will provide insight into executive compensation as a key aspect of the overall stewardship and governance of the Corporation and will help shareholders of the Corporation understand how decisions about executive compensation are made. The Corporation's approach to executive compensation is set forth below.

Director and Named Executive Officer Compensation

Executive compensation is required to be disclosed for each (i) Chief Executive Officer (or individual who served in a similar capacity during the most recently completed financial year), (ii) Chief Financial Officer (or individual who served in a similar capacity during the most recently completed financial year), (iii) of the most highly compensated executive officer (other than the Chief Executive Officer and the Chief Financial Officer) who were serving as executive officers at the end of the most recently completed fiscal year whose total compensation was, individually, more than \$150,000; and (iv) each individual who would meet the definition set forth in (iii) but for the fact that the individual was neither an executive officer of the Corporation, nor acting in a similar capacity, at the end of that financial year (the "Named Executive Officers" or "NEO's").

Director and Named Executive Officer Compensation, Excluding Compensation Securities

The following table sets forth all compensation paid or accrued, payable, awarded, granted, given or otherwise provided, directly or indirectly, excluding Compensation Securities (as defined below), by the Corporation or any subsidiary thereof, to each Named Executive Officer and director of the Corporation, for each of the three most recently completed financial years ended December 31, 2023, 2022 and 2021.

Stock Option Plans and Other Incentive Plans

The Corporation has established a Option Plan for its directors, officers, employees, and consultants. The Option Plan reserves a "rolling" maximum of 10% of the issued and outstanding WGLD Common Shares (determined at the time of the stock option grant) for issuance upon the exercise of stock options granted pursuant to the Option Plan.

The purpose of the Option Plan is to provide directors, officers, employees and consultants of the Corporation with an opportunity to purchase WGLD Common Shares and benefit from the appreciation thereof. This proprietary interest in the Corporation provides an incentive to contribute to the future success and prosperity of the Corporation, thus enhancing the value of the WGLD Common Shares for the benefit of all shareholders of the Corporation and increasing the ability of the Corporation to attract and retain persons of experience. The Option Plan is administered by the WGLD Board, and all decisions and interpretations of the WGLD Board respecting the Option Plan or stock options granted thereunder shall be conclusive and binding on the Corporation and on the optionees. The WGLD Board may, at any time and from time to time, grant options under the Option Plan on terms and conditions to be determined by the WGLD Board from time to time, subject to the conditions contained in the Option Plan. The exercise price of the stock options shall be fixed by the WGLD Board at the date of grant, provided that such price shall not be less than that permitted by any stock exchange upon which the WGLD Common Shares are then listed and posted for trading. The maximum term for which stock options may be exercisable is ten (10) years.

In addition, the Option Plan provides that no more than 5% of the issued and outstanding WGLD Common Shares will be granted to any individual in any 12 month period; no more than 2% of the issued and outstanding WGLD Common Shares will be granted to any one consultant in any 12 month period; and no more than an aggregate of 2% of the issued WGLD Common Shares will be granted to an employee conducting investor relations activities in any 12 month period. Options may be exercised 90 days following cessation of the optionee's position with the Corporation, provided that if the cessation of office, employment, directorship, or consulting arrangement was by reason of death, the option may be exercised within a maximum period of one year after such death, subject to the expiry date of such option.

To remain in compliance with the policies of the TSX Venture Exchange, which requires annual shareholder approval of the Option Plan, the Corporation annually presents the Option Plan to its shareholders for approval. The WGLD Shareholders last approved the Stock Option Plan on June 28, 2022.

Employment, Consulting and Management Agreements

Management functions of the Corporation are not, to any substantial degree, performed other than by directors or Named Executive Officers. One director and the NEO have written consulting agreements with the Corporation or its UK based subsidiary, which became effective upon the October 2020 completion of the Corporation's Qualifying Transaction under the TSX Venture Exchange Policy 2.4. These consulting agreements do not include any provisions for termination upon a change of control.

Mr. McLellan, through a company controlled by him, receives a base consulting fee of GBP 5,000 (approximately C\$8,550) per month, plus a per diem fee for additional time worked, if any. The fees are subject to further reviews and adjustments by the WGLD Board. The agreement further provides that Mr. McLellan is eligible to receive an annual incentive bonus, conditional upon the Corporation's overall performance and he may be eligible to be awarded options to purchase WGLD Common Shares pursuant to the Option Plan. Mr. McLellan's consulting agreement provides that the agreement may be terminated for any reason upon thirty days written notice or a payment equal to one month's base consulting fee.

Mr. O'Neill, through a company controlled by him, receives a base consulting fee of \$6,000 per month, plus an hourly fee for additional time worked in excess of 35 hours per month, if any. The fees are subject to further reviews and adjustments by the WGLD Board. The agreement further provides that Mr. O'Neill is eligible to receive an annual incentive bonus, conditional upon the Corporation's overall performance and he may be eligible to be awarded options to purchase WGLD Common Shares pursuant to the Option Plan.

Mr. O'Neill's consulting agreement provides that the agreement may be terminated for any reason upon thirty days written notice or a payment equal to one month's base consulting fee.

Oversight and Description of Director and Named Executive Officer Compensation

Compensation of Directors

Directors are entitled to be reimbursed for reasonable expenditures incurred in performing their duties as directors, and we may, from time to time, grant incentive stock options to purchase WGLD Common Shares to our directors.

Compensation of NEOs

The Corporation does not have in place a Compensation Committee, therefore all tasks related to developing and monitoring the Corporation's approach to the compensation of Named Executive Officers of the Corporation is performed by the WGLD Board. Developing and monitoring the Corporation's approach to the nomination of directors to the WGLD Board is performed by the members of the WGLD Board. The compensation of the Named Executive Officers and the Corporation's employees is reviewed and recommended by the WGLD Board, and ultimately approved by the WGLD Board without reference to any specific formula or criteria on an ongoing basis and is reviewed annually.

The key objectives of the Corporation's executive compensation program are: (i) recruiting and retaining executives critical to the success of the Corporation and the enhancement of shareholder value; (ii) providing fair and competitive compensation; (iii) balancing the interests of management and the Corporation's shareholders; and (iv) rewarding performance, both on an individual basis and with respect to operations in general. In order to achieve these objectives, the compensation paid to NEOs consists of base salary and/or long-term incentives in the form of stock options, as set out below.

The Corporation's executive compensation program is designed to retain, encourage, compensate and reward executives on the basis of individual and corporate performance, both in the short- and the long term. Base salaries will be based on a number of factors enabling the Corporation to compete for and retain executives critical to the Corporation's long-term success. Share ownership opportunities through stock options will be provided to align the interests of executive officers with the longer-term interests of shareholders.

In determining specific compensation amounts for executive officers, the WGLD Board considers factors such as experience, individual performance, length of service, contribution towards the achievement of corporate objectives and positive exploration and development results, stock price and compensation compared to other employment opportunities for executive officers.

The WGLD Board has not conducted a formal evaluation of the implications of the risks associated with the Corporation's compensation policies. Risk management is a consideration of the WGLD Board when implementing its compensation policies and the WGLD Board do not believe that the Corporation's compensation policies result in unnecessary or inappropriate risk-taking including risks that are likely to have a material adverse effect on the Corporation.

Pension Disclosure

The Corporation does not have any defined benefit or defined contribution pension plans in place which provide for payments or benefits at, following, or in connection with retirement of its directors or Named Executive Officers.

Reference should be made to the notes to the audited financial statements for a more detailed description of any material transaction.

CORPORATE GOVERNANCE DISCLOSURE

The Corporation is a venture issuer (as defined in National Instrument 58-101 – *Disclosure of Corporate Governance Practices* ("NI 58-101")) and is required to provide the following information in this Circular if the Corporation is soliciting a proxy for the election of directors of the Corporation.

Board of Directors

The WGLD Board presently and as proposed is comprised of four directors, two of whom, Ms. Chelsea Hayes and Mr. Stuart Olley, WGLD considers to be independent for the purposes of NI 58-101.

The Board of Directors held five meetings during 2023. Each director attended all five meetings held.

The WGLD Board delegates to management responsibility for meeting defined corporate objectives, implementing approved strategic and operating plans, carrying on the business of WGLD in the ordinary course, evaluating new business opportunities and challenges, recruiting people and meeting all legal and regulatory requirements of the business.

The following table sets forth the name of each reporting issuer, other than WGLD, of which a nominee director of WGLD is also a director.

Nominee Director of WGLD	Reporting Issuers the Individual is also a Director of:
David H.W. (Harry) Dobson	Borders & Southern Petroleum Plc
Stuart Olley	GlobalBlock Digital Asset Trading Limited, PsiNaptic Inc., Jesmond Capital Ltd.
Ross McLellan	n/a
Chelsea Hayes	North Peak Resources Ltd.

Orientation and Continuing Education

While WGLD does not currently have a formal orientation and education program for new members of the WGLD Board, WGLD provides such orientation and education on an ad hoc and informal basis. The directors believe that these procedures are a practical and effective approach in light of WGLD's particular circumstances, including the size of WGLD, the number, experience and expertise of its directors.

The Corporation relies upon its professional advisors to update the knowledge of the WGLD Board in respect to changes in relevant policies and regulations. The WGLD Board expects to select any new members from persons who have the requisite knowledge and experience to ensure that the lack of formal policy will not detract from the performance of its members.

Members of the WGLD Board are encouraged to communicate with management, auditors and technical consultants to keep themselves current with industry trends and developments and changes in legislation, to attend related industry seminars and conventions and to visit the Corporation's operations. Members of the WGLD Board have full access to the Corporation's records.

Ethical Business Conduct

The directors' maintain that WGLD must conduct and be seen to conduct its business dealings in accordance with all applicable laws and the highest ethical standards. WGLD's reputation for honesty and integrity amongst its shareholders and other stakeholders is key to the success of its business. No employee or director will be permitted to achieve results through violation of laws or regulations, or through unscrupulous dealings.

Any director with a conflict of interest or who is capable of being perceived as being in conflict of interest with respect to WGLD must abstain from discussion and voting by the WGLD Board or any committee of the WGLD Board on any motion to recommend or approve the relevant agreement or transaction. The WGLD Board must comply with conflict of interest provisions of the ABCA.

Nomination of Directors

Both the directors and management are responsible for selecting nominees for election to the WGLD Board. At present, there is no formal process established to identify new candidates for nomination. The WGLD Board and management determine the requirements for skills and experience needed on the WGLD Board from time to time. The present WGLD Board and management expect that new nominees have a track record in general business management, special expertise in an area of strategic interest to WGLD, the ability to devote the time required, support for WGLD's business objectives and a willingness to serve.

Other WGLD Board Committees

The WGLD Board has no standing committees other than the Audit Committee.

Assessments

The directors' believe that nomination to the WGLD Board is not open ended and that directorships should be reviewed carefully for alignment with the strategic needs of WGLD. To this extent, the directors constantly review (i) individual director performance and the performance of the WGLD Board as a whole, including processes and effectiveness; and (ii) the performance of the Chairman, if any, of the WGLD Board.

The WGLD Board monitors the adequacy of information given to directors, the communications between the WGLD Board and management and the strategic direction and processes of the WGLD Board and its Audit Committee, to satisfy itself that the WGLD Board, its Audit Committee and its individual directors are performing effectively.

AUDIT COMMITTEE

National Instrument 52-110 – *Audit Committees* (“**NI 52-110**”) requires WGLD, as a venture issuer, to disclose annually in its Circular certain information concerning the constitution of its Audit Committee and its relationship with its independent auditor.

Audit Committee Charter

The Audit Committee's mandate is to assist the WGLD Board in fulfilling its oversight responsibilities with respect to financial reporting and risk management. Attached as Schedule B hereto is the complete text of the Charter for the Audit Committee.

Composition of Audit Committee

Assuming all individuals that are nominated for the WGLD Board as provided herein are elected to the WGLD Board, the members of the Audit Committee of the Corporation will be: Stuart Olley, Chelsea Hayes and Ross McLellan. Each of the proposed members of the Audit Committee is “financially literate”, as such term is defined in NI 52-110, and two of the members, Stuart Olley and Chelsea Hayes, are “independent”, as such term is defined in NI 52-110 and in the ABCA. Mr. McLellan is not “independent” by virtue of his position as an executive officer of the WGLD.

During 2023, the Audit Committee held four meetings. Stuart Olley, the Audit Committee Chair, Chelsea Hayes and Ross McLellan each attended all four meetings.

Relevant Education and Experience

In addition to each member's general business experience, the education and experience of each proposed member of the Audit Committee of WGLD relevant to the performance of his responsibilities as an Audit Committee member is set forth below.

Stuart Olley

Mr. Olley is a senior partner of Gowling WLG (Canada) LLP. He has extensive experience, domestically and internationally, working with a variety of issuers and underwriters in transactions in industries including mining, oil and gas, real estate and technology. Mr. Olley has served on the board of directors of various public companies.

Mr. Olley is a past member of the Securities Advisory Council of the Alberta Securities Commission. He holds a master's degree in law from Osgoode Hall Law School at York University (securities specialty), a law degree and MBA from the University of Alberta, and a bachelor's degree in arts from the University of Toronto.

Chelsea Hayes

Ms. Hayes is currently Director of Business Development, North Peak Resources and has been working as a marketing and communications advisor for over 25 years. Chelsea was a Founding Director of financial PR consultancy, Pelham Public Relations, in November 2004, growing it to a 40-strong, £6m business and advising technology, media, mining and energy companies, before merging with Bell Pottinger and then leaving the business. Since then she has been involved in founding and growing several other businesses in the UK. She holds an MBA from Henley Business School.

Ross McLellan

Mr. McLellan is the CEO of WGLD and leads the operations and exploration activities of the Corporation. He was a founding shareholder and the Managing Director of Western Gold Exploration (UK) Ltd. since 2016. He was involved in setting up Scotgold Resources Ltd., which subsequently listed on the ASX. He acted as a director of Scotgold Resources Ltd from 2006 to 2017 and Fynegold Exploration Ltd. for 10 years. Mr. McLellan has over 30 years background in financial services.

Audit Committee Oversight

Since the commencement of the Corporation's most recently completed fiscal year, the WGLD Board has not failed to adopt a recommendation of the Audit Committee to nominate or compensate an external auditor.

Reliance on Certain Exemptions

Since the commencement of the Corporation's most recently completed financial year, the Corporation has not relied on the exemptions contained in sections 2.4 or 8 of NI 52-110. Section 2.4 provides an exemption from the requirement that the audit committee must pre-approve all non-audit services to be provided by the auditors, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total amount of fees payable to the auditor in the fiscal year in which the non-audit services were provided. Section 8 permits a company to apply to a securities regulatory authority for an exemption from the requirements of NI 52-110, in whole or in part.

The Corporation is relying on the exemption provided by section 6.1 of NI 52-110 by virtue of the fact that it is a venture issuer. Section 6.1 exempts the Corporation from the requirements of Parts 3 (*Composition of the Audit Committee*) and 5 (*Reporting Obligations*) of NI 52-110 and allows for the short form of disclosure of audit committee procedures set out in form 52-110F2 and disclosed in this Circular.

Pre-Approval Policies and Procedures

The Audit Committee has not adopted specific policies and procedures for the engagement of non-audit services but will review the engagement of all such services.

SCHEDULE A – STOCK OPTION PLAN

STOCK OPTION PLAN OF WESTERN GOLD EXPLORATION LTD.

1. Purpose

The purpose of the Stock Option Plan (the "**Plan**") of **WESTERN GOLD EXPLORATION LTD.**, a corporation incorporated under the *Business Corporations Act* (Alberta) (the "**Corporation**") is to advance the interests of the Corporation by encouraging the directors, officers, employees and consultants of the Corporation, and of its subsidiaries and affiliates, if any, to acquire common shares in the share capital of the Corporation (the "**Shares**"), thereby increasing their proprietary interest in the Corporation, encouraging them to remain associated with the Corporation and furnishing them with additional incentive in their efforts on behalf of the Corporation in the conduct of its affairs.

2. Administration

The Plan shall be administered by the Board of Directors of the Corporation or by a special committee of the directors appointed from time to time by the Board of Directors of the Corporation pursuant to rules of procedure fixed by the Board of Directors (such committee or, if no such committee is appointed, the Board of Directors of the Corporation, is hereinafter referred to as the "**Board**"). A majority of the Board shall constitute a quorum, and the acts of a majority of the directors present at any meeting at which a quorum is present, or acts unanimously approved in writing, shall be the acts of the directors.

Subject to the provisions of the Plan, the Board shall have authority to construe and interpret the Plan and all option agreements entered into thereunder, to define the terms used in the Plan and in all option agreements entered into thereunder, to prescribe, amend and rescind rules and regulations relating to the Plan and to make all other determinations necessary or advisable for the administration of the Plan. All determinations and interpretations made by the Board shall be binding and conclusive on all participants in the Plan and on their legal personal representatives and beneficiaries.

Each option granted hereunder may be evidenced by an agreement in writing, signed on behalf of the Corporation and by the optionee, in such form as the Board shall approve. Each such agreement shall recite that it is subject to the provisions of this Plan.

3. Stock Exchange Rules

All options granted pursuant to this Plan shall be subject to rules and policies of any stock exchange or exchanges on which the common shares of the Corporation are then listed and any other regulatory body having jurisdiction hereinafter (hereinafter collectively referred to as, the "**Exchange**").

4. Shares Subject to Plan

Subject to adjustment as provided in Section 15 hereof, the Shares to be offered under the Plan shall consist of common shares of the Corporation's authorized but unissued common shares. The aggregate number of Shares issuable upon the exercise of all options granted under the Plan shall not exceed 10% of the issued and outstanding common shares of the Corporation from time to time. If any option granted hereunder shall expire or terminate for any reason in accordance with the terms of the Plan without being exercised, the unpurchased Shares subject thereto shall again be available for the purpose of this Plan.

However, other than in connection with a "Qualifying Transaction" (as defined in Policy 2.4 of the Exchange) or otherwise accepted by the TSX Venture Exchange, during the time that the Corporation is a "Capital Pool Company" (as defined in Policy 2.4 of the Exchange), the aggregate number of Shares issuable upon the exercise of all options granted under the Plan shall not exceed 10% of the common shares of the Corporation issued and outstanding at the closing of the Corporation's initial public offering.

5. **Maintenance of Sufficient Capital**

The Corporation shall at all times during the term of the Plan reserve and keep available such numbers of Shares as will be sufficient to satisfy the requirements of the Plan.

6. **Eligibility and Participation**

Directors, officers, consultants, and employees of the Corporation or its subsidiaries, and employees of a person or company which provides management services to the Corporation or its subsidiaries ("**Management Company Employees**") shall be eligible for selection to participate in the Plan (such persons hereinafter collectively referred to as "**Participants**"). Subject to compliance with applicable requirements of the Exchange, Participants may elect to hold options granted to them in an incorporated entity wholly owned by them and such entity shall be bound by the Plan in the same manner as if the options were held by the Participant.

Subject to the terms hereof, the Board shall determine to whom options shall be granted, the terms and provisions of the respective option agreements, the time or times at which such options shall be granted and vested, and the number of Shares to be subject to each option. In the case of employees or consultants of the Corporation or Management Company Employees, the option agreements to which they are party must contain a representation of the Corporation that such employee, consultant or Management Company Employee, as the case may be, is a bona fide employee, consultant or Management Company Employee of the Corporation or its subsidiaries.

A Participant who has been granted an option may, if such Participant is otherwise eligible, and if permitted under the policies of the Exchange, be granted an additional option or options if the Board shall so determine.

7. **Exercise Price**

- (a) The exercise price of the Shares subject to each option shall be determined by the Board, subject to applicable Exchange approval, at the time any option is granted. In no event shall such exercise price be lower than the exercise price permitted by the Exchange.
- (b) Subject to Exchange approval, once the exercise price has been determined by the Board, accepted by the Exchange and the option has been granted, the exercise price of an option may only be reduced if at least 6 months have elapsed since the later of the date of the commencement of the term, the date the Corporation's shares commenced trading or the date the exercise price was reduced. In the case of options held by insiders of the Corporation (as defined in the policies of the Exchange), the exercise price of an option may be reduced only if disinterested shareholder approval is obtained.

8. **Number of Optioned Shares**

- (a) The number of Shares subject to an option granted to anyone Participant shall be determined by the Board, but no one Participant shall be granted an option which exceeds the maximum number permitted by the Exchange.
- (b) No single Participant may be granted options to purchase a number of Shares equalling more than 5% of the issued common shares of the Corporation in any twelve month period unless the Corporation has obtained disinterested shareholder approval in respect of such grant and meets applicable Exchange requirements.
- (c) Options shall not be granted if the exercise thereof would result in the issuance of more than 2% of the issued common shares of the Corporation in any twelve month period to anyone consultant of the Corporation (or any of its subsidiaries).

- (d) Options shall not be granted if the exercise thereof would result in the issuance of more than 2% of the issued common shares of the Corporation in any twelve month period to persons employed to provide investor relation activities. Options granted to Consultants performing investor relations activities will contain vesting provisions such that vesting occurs over at least 12 months with no more than 1\4 of the options vesting in any 3 month period.

9. **Duration of Option**

Each option and all rights thereunder shall be expressed to expire on the date set out in the option agreement and shall be subject to earlier termination as provided in Sections 11 and 12, provided that in no circumstances shall the duration of an option exceed the maximum term permitted by the Exchange, being 10 years for the TSX Venture Exchange.

10. **Option Period, Consideration and Payment**

To the extent required by the Exchange, no options may be exercised under this Plan until this Plan has been approved by a resolution duly passed by the shareholders of the Corporation.
- (d) Except as set forth in Sections 11 and 12, no option may be exercised unless the Participant is at the time of such exercise a director, officer, consultant, or employee of the Corporation or any of its subsidiaries, or a Management Company Employee of the Corporation or any of its subsidiaries.
- (e) The exercise of any option will be contingent upon receipt by the Corporation at its head office of a written notice of exercise, specifying the number of Shares with respect to which the option is being exercised, accompanied by cash payment, certified cheque or bank draft for the full purchase price of such Shares with respect to which the option is exercised. No Participant or his legal representatives, legatees or distributees will be, or will be deemed to be, a holder of any common shares of the Corporation unless and until the certificates for Shares issuable pursuant to options under the Plan are issued to him or them under the terms of the Plan.

11. **Ceasing To Be a Director, Officer, Consultant or Employee**

- (a) Subject to subsection (b), if a Participant shall cease to be a director, officer, consultant, employee of the Corporation, or its subsidiaries, or ceases to be a Management Company Employee, for any reason (other than death), such Participant may exercise his option to the extent that the Participant was entitled to exercise it at the date of such cessation, provided that such exercise must occur within 90 days after the Participant ceases to be a director, officer, consultant, employee or a Management Company Employee, unless such Participant was engaged in investor relations activities, in which case such exercise must occur within 30 days after the cessation of the Participant's services to the Corporation.

- (b) If the Participant does not continue to be a director, officer, consultant, employee of the Resulting Issuer upon completion of the Corporation's Qualifying Transaction (as such terms are defined in the policies of the Exchange), the options granted hereunder must be exercised by the Participant within the later of 12 months after completion of the Qualifying Transaction and 90 days after the Participant ceases to become a director, officer, consultant or employee of the Resulting Issuer.
- (c) Nothing contained in the Plan, nor in any option granted pursuant to the Plan, shall as such confer upon any Participant any right with respect to continuance as a director, officer, consultant, employee or Management Company Employee of the Corporation or of any of its subsidiaries or affiliates.

12. **Death of Participant**

Notwithstanding section 11, in the event of the death of a Participant, any all unexercised options previously granted to him shall immediately vest and be exercisable within the one (1) year after such death and then only:

- (a) by the person or persons to whom the Participant's rights under the option shall pass by the Participant's will or the laws of descent and distribution; and
- (b) if and to the extent that such Participant was entitled to exercise the Option at the date of his death.

13. **Rights of Optionee**

No person entitled to exercise any option granted under the Plan shall have any of the rights or privileges of a shareholder of the Corporation in respect of any Shares issuable upon exercise of such option until such Shares shall have been issued.

14. **Proceeds from Sale of Shares**

The proceeds from the sale of Shares issued upon the exercise of options shall be added to the general funds of the Corporation and shall thereafter be used from time to time for such corporate purposes as the Board may determine.

15. **Adjustments**

If the outstanding common shares of the Corporation are increased, decreased, changed into or exchanged for a different number or kind of shares or securities of the Corporation or another corporation or entity through re-organization, merger, re-capitalization, re-classification, stock dividend, subdivision or consolidation, any adjustments relating to the Shares optioned or issued on exercise of options and the exercise price per Share as set forth in the respective stock option agreements shall be made in accordance to the terms of such agreements.

Adjustments under this Section shall be made by the Board whose determination as to what adjustments shall be made, and the extent thereof, shall be final, binding and conclusive. No fractional Share shall be required to be issued under the Plan on any such adjustment.

16. **Transferability**

All benefits, rights and options accruing to any Participant in accordance with the terms and conditions of the Plan shall not be transferable or assignable unless specifically provided herein or the extent, if any, permitted by the Exchange. During the lifetime of a Participant any benefits, rights and options may only be exercised by the Participant.

17. Amendment and Termination of Plan

Subject to the policies, rules and regulations of any lawful authority having jurisdiction (including any exchange on which the Common Shares are listed for trading), the Board may at any time, without further action by the shareholders, amend the Plan or any option granted hereunder in such respects as it may consider advisable and, without limiting the generality of the foregoing, it may do so to ensure that options granted hereunder will comply with any provisions respecting stock options in the income tax or other laws in force in any country or jurisdiction of which a person to whom an option has been granted may from time to time be resident or citizen or the Board may at any time, without action by shareholders, terminate the Plan. The Board may not, however, without the consent of the option holder, alter or impair any of the rights or obligations under any option theretofore granted.

18. Necessary Approvals
